The nature of our program is open enrollment, as a result , BP we're majority of seniors are 18 year or older but at a 9<sup>th</sup> grade level.

We have been put on a federal plan Comprehensive School Intervention Plan due to our low graduation rate. We're never going to turn students away, so our CSI plan is to implement additional interventions and strategies to help our students succeed and meet our CSI goals.

- 7. Public Comment:** *Any person who wishes to direct a new subject to the DELAC, that is not on the agenda, will have two minutes. The Council will not be able to respond or enter into a conversation on the public commentary.*

Parent Lillian Grande (w/ Spanish Translation) commented that it is great that we don't turn the students away, that even though they're 18 and in 9<sup>th</sup> grade, we are giving them an opportunity. She is very glad to know that we, as a school, do this.
